

Collaboration with International organizations

- Existing tie-up with FAO, IFAD, World Bank, UNDP, JICA, ITC, and ESCAP
- Recent collaboration with South Asian Association of Regional Cooperation (SAARC) and African Asian Rural Development Organization (AARDO)
- Aims to converge programmes and assistance to countries:
 - Take up sericulture developmental projects
 - Enhance the production, productivity and quality of silk
 - Improve the income generation of stakeholders
 - Infrastructure investments

Training Programmes of ISC

- ➡ Training the major activity
- ➡ In 2018, 3 major programmes
- a) ISC's Training on Post Cocoon Technology – 10 days
- a) ITEC Training on Sericulture Industry at CSRTI, Mysore
- c) ITEC Training on Post Cocoon Technology at CSTRI, Bangkok - 4 weeks

#	Country	Type of Training			Total
		Silkworm Seed Production	Post Cocoon Technology	Sericulture & Silk Industry
